

Mochie

Mochie is a 3 yr. old, Sorrel, 14.2 Hand, Quarab gelding who was taken in by Sound Equine Options and brought up to date on vaccines, dental and farrier. He is extremely well mannered! Professionally started under saddle. Has had ground training, de-spooking, bathing, clippers, trailering, arena and trail riding. Water, mud & bridges not a problem. In great physical condition. He has only one eye, this is not a handicap for Mochie. His trainer is willing to work with his new owners to make the transition to his new home easier.
